This is a detailed cadastral map of the Lavernose-Lacasse area in the Haute-Garonne department (31). The map highlights the 'Zonage assainissement collectif' (collective sewerage network zone) in yellow, which covers the built-up areas and surrounding parcels. Buildings are represented by grey rectangles, and individual parcels are outlined in thin grey lines. Blue areas represent water bodies, including several ponds and a larger lake. The map is framed by a thick black outline. In the bottom left corner, there is a legend, a compass rose, a scale bar (0 to 200 meters), and the Cereg logo. The title 'Zonage assainissement collectif Lavernose-Lacasse' is prominently displayed in the upper left. The map also shows neighboring areas like St-Hilaire, Muret, Le Truc, and Longues.
